

Directions to Target Field

Ramp A: Driving

Paid parking will be available in Ramp A. Once parked, proceed to the skyway entrance on Level 3 on the North End (“N”). Follow the walkway around the corner to the Pedestrian Walk Bridge and cross over 7th Street to the “Delta Sky360 Entrance”.

Skyway: Walking

Follow the skyway signs and directions to Target Field. Where the skyway ends, follow the walkway outside (into the parking ramp) and around the corner to the right to the Pedestrian Walk Bridge. Follow the “Target Field” directional signs and cross over 7th Street on the Pedestrian Walk Bridge to the “Delta Sky360 Entrance”.

Admin Entrance:

If traveling via light rail, exit the Target Field Station and walk towards Target Field. Then, head east towards Gate 3, past the Tony Oliva statue, and enter the double glass doors between Gate 3 and 6, directly across from the light rail tracks. If you go to Gate 3, then you’ve gone too far.
